Dear Dr. Bailey:

As per our meeting regarding the upcoming celebration of Bilingual Education Month, members of the Advisory Committee and Mrs. Hector Ortiz, have met with Mr. Roman to discuss projected costs for the various activities.

It is currently projected that the Office of Bilingual Education will spend approximately \$ 800-900.00. As you may be aware, we have received some contributions but will need some assistance to cover the cost of these activities.

Inasmuch as we have already received contributions from other sources we are requesting your assistance in the amount of \$ 100.00 to help defray the cost of this significant activity.

Thank you for every possible consideration.
